Brief Introduction:

Waterloo River of Life Christian Church of Canada, established by the Toronto River of Life of Canada, was started in November 2013 at the Preparatory Office in Waterloo, Ontario. At first, Preacher Chen preached and

led 5, 6 brothers and sisters who loved the Lord to set up group meetings and Sunday worship, and then officially established a branch church in October 2015. Preacher Chen actively participates in music ministry and has the gift of leading worship and praise. In 2013, she was called by God to join the team of ROLCC, and at the same time entered the equipment of River of Life Pastoral Leadership Academy. In 2014, she participated in the healing service of the Canadian Healing Room and was ordained as a pastor at the ROLCC in Ottawa in October 2019. The Church is continually growing because of God's faithful guidance. Not only is the population growing, the faith of the brothers and sisters is also thriving.

Waterloo River of Life Christian Church of Canada inherited the vision and mission of the mother church, actively extended mission ministry, and prepared to develop the evangelism and pastoral work for the students at the University of Waterloo. Under the shepherd and guidance of Pastor Chen, the church has regular cell groups, women's associations, brothers' associations, children and youth ministry, and established Timothy Youth Life Group for college students. At the same time, the church devoted itself to the construction of families so that God's grace and love manifested in every family. After more than two years of global epidemic, the church's ministry has been

protected by God and passed through peacefully, and physical gathering was resumed in September 2022. Under the leadership and blessing of God, the church took root, and the co-workers were united with each other, through the constructing and equipping practice, they enhance the life and spirituality of brothers and sisters. Looking into the future, the church will be committed to building on the solid foundation of the love of Jesus Christ. Everyone loves the Lord and each other. Through the church, God will give miraculous changes and blessings to families, communities and countries to witness God's actions and the glory of God.
