簡要介紹:

安提阿蒙古靈糧堂是2012年六月才加入生命河的一間新分堂，位於伊利諾州的Glenview鎮，在加入生命河以前，已成立了7年，該堂的Nasaa牧師經蒙古分堂的Batbold牧師引介，非常認同生命河的異象，希望加入這個大家庭。Nasaa 牧師於2003年7月按立為牧師，服事於蒙古一所韓國教會，2003年受邀來美在一間韓國教會服事，直到2005年成為獨立教會。2010年他們邀請生命河蒙古分堂的Batbold 牧師主持該堂5週年特會，因而認識了生命河靈糧堂。Nasaa 牧師在瞭解過各宗派後，2012年六月參加本堂的牧者聯禱會時決定要加入生命河的大家庭。安提阿蒙古靈糧堂是當地一個頗具影響力的蒙古教會，他們的教會因著神的恩典而不斷成長，目前他們專注於2022年的使命“重新夢想和信心起行”，他們希望神重新興起教會，讓他們在各個層面上都經歷聖靈的大能和同在。願神使用Nasaa牧師及該堂，成為向美國中部各地的蒙古人傳福音的管道。2024開始，教會著重於為教會領袖提供教牧小組教學課程，重點關注有效的福音策略和對新成員的培育照顧，培養一個熱情和包容的教會。同時，教會想要透過進行適合年齡的活動，創造一個有吸引力、相關且有益的環境，包括專門的教學、討論、活動或郊遊，以滿足每個年齡層的特定發展階段和興趣。希望今年可以滿足每個會眾，讓他們更參與教會活動。

Brief Introduction:

Antioch Mongolian Church, located in Glenview, Illinois, was founded in 2005, and joined the River of Life family in June 2012. Pastor Nasaa, the lead pastor of Antioch Mongolian Church, through the introduction of Pastor Batbold of our daughter church in Ulaanbaatar, identified with the vision of River of Life, and wished to join the family. Pastor Nasaa was ordained in July 2003, and was serving in a Korean church in Mongolia. He was invited to serve in a Korean church in the United States in the same year, and the church became an independent church in 2005. Then in 2010, they invited Pastor Batbold from River of Life's Mongolian daughter church to host their 5th Anniversary Conference, and got to know the River of Life family through that. After learning about different denominations, and participating in River of Life's pastoral prayer conference in June 2012, they decided to join and be part of the River of Life family. Antioch Mongolian Church is an influential local Mongolian church. Their church is constantly growing due to God's grace. Starting in 2024, the church will focus on providing pastoral group teaching courses for church leaders, focusing on effective gospel strategies and nurturing care for new members, so as to cultivate a warm and inclusive church. At the same time, the church wants to create an engaging, relevant and nurturing environment through age-appropriate activities, including specialized teaching, discussions, activities or outings to meet the specific

developmental stages and interests of each age group. Hopefully this year it will satisfy every member of the congregation and get them more involved in church activities.
