簡要介紹 Brief Introduction:

迦納原是英屬殖民地，獨立後日益繁榮的經濟和民主政治體系使其成為西非的區域大國，迦納約有三千萬人，涵蓋各種種族，語言和宗教團體，基督教徒佔人口的百分之七十。在加入生命河的大家庭之前，現今迦納生命河靈糧堂的主任牧師 Rev. Texford 已於 2003 年拜訪灣區時，來到生命河參加主日崇拜，並認同生命河靈糧堂的異象與使命。生命河於 2004 年初差派了一個短宣隊到迦納拜訪 Rev.

Texford 和他的教會，親自見證這個教會是一個充滿愛的教會，雖然當時他們沒有自己的教會建築，物質上也有很多需要，但是牧者和同工及會友卻同心建造，興旺福音。生命河於 2004 年 3 月正式接納 Rev. Texford 的教會成為分堂。目前他們在首都 Accra 及周邊地區，共拓植了 18 間分堂，並成立了學校，積極傳揚耶穌基督的福音給非洲迦納的未識之民，也藉著工人的訓練及會友的見證來擴展教會，他們的異象是將福音廣傳鄰邦，並於 2020 年正式差派 Rev. Kwarko 到東非莫桑比克建立分堂。願

他們在神的帶領下，繼續擴張神的帳幕，帶領更多的人來認識主耶穌基督和祂的救恩。

Ghana was originally a British colony. After independence, the increasingly prosperous economic and democratic political system made it a regional power in West Africa. There are about 30 million people in Ghana, covering various ethnic, linguistic and religious groups. Christians account for 70% of the population. In 2003, before joining the ROLCC family, Rev. Texford, now the senior pastor of ROLCC in Ghana, was visiting the Bay Area and came to ROLCC to attend the Sunday sermon. Afterward, ROLCC sent a short-term mission team to Ghana to visit Rev. Texford and his church in early 2004. They witnessed this church as a church full of love, although they did not have their own church building at that time, and they lacked many material needs, however the congregation, including the pastor, coworkers and fellows together built their church and spread the gospel.

Therefore, in March 2004, ROLCC officially accepted Rev. Texford's church as a daughter church. Currently, including the main worship place in the capital, Accra, they planted 18 branches throughout Ghana, and established schools for people in need. They actively spread the gospel of Jesus Christ to unidentified people in Ghana, Africa, and through the training of workers and the testimonies of congregation, they have extended the gospel and the church, their vision was to

establish a branch church in Mozambique, East Africa, to spread the gospel to neighbors.
