簡要介紹:

象牙海岸，又名科特迪瓦，是幾內亞灣沿岸的西非國家，歷史上曾經是法國殖民地；在上世紀七十年代，象牙海岸是西非經濟最繁榮的國家，隨後由於政府的腐敗、動亂和內戰導致經濟衰退。2014年，多哥生命河靈糧堂的主任牧師Clement牧師從神領受異象，開始了在象牙海岸植堂的計畫。2015年差派Franck牧師多次從多哥進入象牙海岸，在象牙海岸最大的城市Abidjan預備植堂的工作，並於同年開設了第一個聚會點。Franck牧師曾經在多哥萬國逐家佈道團服事，2001年

回應神的呼召加入生命河靈糧堂大家庭，曾任貝南生命河靈糧堂助理牧師，其後從2004到2015的十多年間，一直服事於多哥生命河靈糧堂。從2015年進入象牙海岸後，Franck牧師致力於傳福音和教導的事工，如今象牙海岸生命河靈糧堂已經有三個聚會點，每週有主日崇拜及青少年和兒童事工。展望2024年，他們的事工是希望教會人數能大大增長，也求教會聚會地點能有固定的建築，無論是租賃抑或是購買，都希望能有穩定聚會場所，讓會眾穩固下來。

Brief Introduction:

Ivory Coast, also known as Côte d'Ivoire, is a West African country along the Gulf of Guinea, historically a French colony; Ivory Coast was the most prosperous country in West Africa in the 1970s. The subsequent economic recession was caused by government corruption, unrest and civil war. In 2014, Rev. Clement, the chief pastor of ROLCC in Togo, received a vision from God, and he started a church planting project in Ivory Coast. In 2015, Rev. Franck was sent from Togo to the Ivory Coast several times to prepare for church planting in Abidjan, the largest city in Ivory Coast, and opened the first meeting point in the same year. Rev. Franck once served as a missionary at EHC in Togo. In 2001, he responded to God's call to join ROLCC as the assistant pastor of ROLCC Benin, and for more than a decade from 2004 to 2015 he has served the ROLCC in Togo. Since entering Ivory Coast in 2015, Rev. Franck has dedicated himself to ministry in evangelism and teaching, today

ROLCC Ivory Coast has three meeting places, with Sunday worship every week. After more than two years of the global epidemic, they continued to spread the gospel and the truth in an environment where the beliefs and teachings were very chaotic. With the guidance of God, the numbers of people in the three meeting places of the church continue to increase. They need better meeting places. Looking forward to 2024, their ministry hopes that the number of church members will greatly increase, and they also hope that the church gathering place will have a fixed building. Whether it is renting or purchasing, they hope to have a stable gathering place so that the congregation can stabilize.
