

美國國際加利利 Galilee International US (GIU)

簡要介紹:

為回應21世紀各地華人共同承接主的大使命，支援華人宣教士在前線的工作，美國國際加利利(Galilee International US, 簡稱 GIU)在2018年8月份成立，希望為北美華人教會、宣教機構以及有心參與普世宣教的弟兄姊妹提供一個參與的平台，共同為跨文化的華人宣教士提供培訓、支持與關顧。神在末世使用不同的恩賜，藉著各種不同族群的團隊合作來完成他的大使命，因此GIU的成員有教會牧者、神學院教授、退休宣教士、企業主、各行各業的專業人士，更有家庭主婦、以及空巢人士。目前GIU的事工包括：1. 舉辦每週的網路聚會，讓前方宣教士分享所在宣教工場的情況及需要，而每週網路禱告會則為前方宣教士們代禱守望。2. 幫助各教會進行宣教動員，參與宣教事工。3. 為宣教士提供關懷、輔導、退修會。4. 為宣教士提供訓練，包括自我管理、夫妻關係、親子教育、團隊建造、跨文化訓練、語言學習、處理衝突等內容。5. 為宣教士子女教育、宣教士健康保險、宣教士進修學習，及各宣教工場的事工項目進行籌款。

在2023年GIU舉辦宣教士退修會，感謝主信實的供應，他們為宣教士們安排了生命衝擊營會，為宣教士們進行身體檢查和治療；也安排了出色的講員和各領域的導師，使宣教士們得到教導和諮詢。2024年，GIU每月為宣教士提供約6次家庭的訓練課程，為70個宣教子女提供教育補助，並資助60個宣教家庭健康保險。他們也組織一場商宣高峰會和宣教領袖的策略討論工

作坊。在兩個禾場建立了神學訓練中心，為當地門徒提供裝備，另外新增了10個宣教家庭。2025年希望持續供應宣教士與家庭，並且分批舉辦退修會，讓宣教士重新聚焦使命與任務，提升事奉質素。

Brief Introduction:

In response to the 21st century, Chinese people from all over the world jointly undertake the Lord's Great Commission and support the work of Chinese missionaries on the front lines, Galilee International US (GIU for short) was established in August 2018, with the hope of serving Chinese churches, Chinese mission agencies, and for brothers and sisters who are interested in participating in evangelism, and work together to provide training, support and care for cross-cultural Chinese missionaries. God uses different gifts to accomplish His Great Commission through teamwork of various ethnic groups. Therefore, GIU members include church pastors, seminary professors, retired missionaries, business owners, and professionals from all walks of life. There are also housewives and empty nesters. At present, GIU's ministry includes: 1. Holding weekly online gatherings for missionaries in the frontline to share the situation and needs of their mission

workshops, and weekly online prayer meetings to pray and watch for the frontline missionaries. 2. Help churches to mobilize and participate in mission work. 3. Provide care, counseling, and retreats for missionaries. 4. Provide training for missionaries, including self-management, spouse relationship, parenting education, team building, cross-cultural training, language learning, conflict handling, etc. 5. Raise funds for missionary children's education, missionary health insurance, missionary education, and ministry projects in various mission workshops. In 2023, GIU will hold a missionary retreat to thank the Lord for His faithful provision. They have arranged a life-impact camp for missionaries to help them strengthen the value and meaning of their heavenly calling. A youth team was invited to lead the children's camp; a Chinese medicine team was also invited to conduct physical examinations and treatments for the missionaries; outstanding speakers and mentors in various fields were also arranged so that the missionaries could receive instruction and consultation. In 2024, GIU will provide approximately 6 family training sessions per month for missionaries, provide educational subsidies for 70 missionary children, and fund health insurance for 60 missionary families. They also organized a business missions summit and a strategic discussion workshop for missions leaders. Theological training centers were

established in two mission fields to equip local disciples, and 10 new missionary families were added. In 2025, we hope to continue to provide missionaries and families, and to hold retreats in batches so that missionaries can refocus on their mission and tasks and improve the quality of their service.
