耶穌基督的門徒。過去一年，已有 5 千 2 百多人完成了 M28 門訓。同時他們計劃在今年六月舉辦世界改變者大會 (WCC)，裝備有信仰的學生成為為改變世界的門徒，特別是在 7 個影響領域：宗教、家庭、商業、科學/工業、藝術/娛樂、政府和教育。願神祝福國際學生事工，使他們興起和發光，以帶領世界上最優秀、最聰明的人及未來的國家領袖和工業領袖被主的光所吸引（以賽亞書 60:1-3）。

Brief Introduction:

International Students Inc, abbreviated as ISI, was established in 1953. Its main purpose is to help hundreds of thousands of international students who come to American universities to study every year. These students come from all over the world. ISI's co-workers on various campuses actively cooperate with the international student offices of each school to provide assistance to international students. They offer friendships to these international students regardless of race, nationality or religion. They also provide assistance to these international students in all aspects of life, study, and culture, helping them adjust to life in the United States. At present, they have local staff in 677 colleges and universities in the United States, providing consultation and assistance to international students to help them understand

their new home and cultural experience. Last year, more than 72,000 international students have received direct assistance from ISI staff and volunteers across the United States. Their bible study groups in various schools directly led more than 6,100 people to the Lord. In addition, their ministry extends to international women in the United States who are not students. Their Internet ministry has directly helped more than 54,000 students and women, and they have been promoting the M28 discipleship program since 2011. This is a very solid discipleship. The main purpose is to lead non-Christians to experience the answers provided by the Bible from various problems in life. To enable them to find the truth of life in their lives, and to help them know God and find the direction and goal of their life, fulfill God's calling and destiny in them, and lead others to become disciples of Jesus Christ. In the past year, more than 5,200 people have completed M28 discipleship. At the same time they plan to host the World Changers Conference (WCC) in June this year, ISI's World Changers Conferences (WCC) are for believing, teachable students who have a heart for God, and who are open to being encouraged and equipped to be disciples who make new disciples and world changers for Christ, especially in the 7 spheres of influence: religion,

family, business, science/industry,
art/entertainment, government and education.
May God bless ISI to rise up and shine to lead the
world's best and brightest and future leaders of
nations and industries to be drawn to the light of
the Lord (Isaiah 60:1-3).
